Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI SUBHASH MAHARIA)

(a) to (e) The details of projects sanctioned and assistance provided by CAPART in TamilNadu during the last three years and the current year, NGO-wise, project-wise, is given at Annexure-1. The funds have been utilized fully under 50 completed projects, details of which are given at Annexure-II. The remaining projects are at various stages of implementation.

(f)to (i) The CAPART has a system of monitoring and evaluation of the projects funded by itthrough empanelled project evaluators. Provisions are made to monitor projects at least at 3 stages, i.e., pre-funding appraisal before the project is sanctioned, mid-term appraisal before release of funds in the second and subsequent phases and post-evaluation after the project has been completed. It has a system for ensuring proper accountability of grants released by it to the voluntary organisations (VOs) for implementation of projects. Whenever, CAPART gets prima facie evidence that grants released by it have not been properly utilized by the VO orthe promises made in the proposal have not been fulfilled during implementation of the project, a temporary funding restriction, namely, Further Assistance Stopped (FAS) is imposed on the erring VO.

One complaint relating to misappropriation of funds has been received by the Government against a Tamil Nadu-based Voluntary Organisation, namely, Gramalya, Balai Road, District Trichy. The CAPART has imposed the funding restriction, `FurtherAssistance Stopped` (FAS) on the Voluntary Organisation.
